DEVILBISS PORTABLE SPRAY PAINTING EQUIPMENT

TYPE NK 1/2-H.P. ELECTRIC SPRAY PAINTING OUTFIT

A SPRAY-PAINTING OUTFIT OF SMALL SIZE BUT OF LARGE CAPACITY

Designed for wide and varied use in the painting of interiors and for refinishing shop and factory equipment. Splendid for contracting painters as supplementary equipment for medium sized jobs to avoid tying up their larger outfits. Easily portable by one person. Yet the outfit is large enough to produce high quality work at surprising speed. Runs quietly and without vibration.
